OPTION GRANTS AND RELATED INFORMATION

The following table provides information with respect to options granted to the Company's Chief Executive Officer during fiscal year 1997.

OPTION GRANTS IN LAST FISCAL YEAR

NAME	INDIVIDUAL GRANTS				POTENTIAL REALIZABLE VALUE AT ASSUMED ANNUAL RATES OF STOCK PRICE APPRECIATION FOR OPTION TERM (2)	
	NUMBER OF SECURITIES UNDERLYING OPTIONS GRANTED (#)	% OF TOTAL OPTIONS GRANTED TO EMPLOYEES IN FISCAL YEAR	EXERCISE OR BASE PRICE (\$/SH.)	EXPIRATION DATE	5% (\$)	10% (\$)
Robert L. Chioini.....	90,000 (1)	28.9%	\$3.00	7/15/07	\$316,800	\$663,300

(1) These options, which were granted pursuant to the Company's 1997 Stock Option Plan, become exercisable annually in 25% increments beginning on the grant date (July 15, 1997) and have a term of ten years.

(2) Represents value of the options at end of ten year term, assuming the market price of the Company's Common Shares appreciates at an annually compounded rate of 5% to 10% from the initial public offering price of \$4.00 per Common Share. These amounts represent assumed rates of appreciation only. Actual gains, if any, will be dependent on overall market conditions and on future performance of the Company's Common Shares. There can be no assurance that the amounts reflected in the table will be achieved.

FISCAL 1998 OPTION GRANTS

In order to facilitate the retention of the Company's employees and to align their interest with the interest of the Company's shareholders, effective April 13, 1998, in exchange for the cancellation of certain outstanding stock options, the Company granted stock options to purchase an aggregate of 292,700 Common Shares under the Company's 1997 Stock Option Plan to each then current employee of the Company, including options to purchase 90,000 Common Shares to Mr. Chioini. The new options cover the same number of shares and are subject to substantially the same terms and conditions as the options previously granted to such employees in the Company's 1997 fiscal year under the Company's 1997 Stock Option Plan except that (i) the exercise price of the new option is the fair market value of the Company's Common Shares as of the date of grant (\$1.4375 per share), (ii) with respect to the options granted to the Company's executive officers, such options become exercisable in one-quarter cumulative annual increments beginning on the grant date and expire April 13, 2008, (iii) with respect to the options granted to the other employees of the Company (other than executive officers), such options become exercisable in one-third cumulative annual increments beginning April 13, 1999 and expire April 13, 2008, and (iv) the issuance of the new options is conditioned upon each applicable employee agreeing to cancel the options previously granted to such employee as described above.

COMPENSATION OF DIRECTORS

The Company's Directors who are not officers or employees of the Company (collectively, the "Outside Directors") receive \$1,000 for each Board meeting

attended in person and \$250 for each telephonic Board meeting attended. The Company also reimburses Outside Directors for their reasonable expenses of attending Board and Board committee meetings.

In July 1997, the Board of Directors and shareholders of the Company adopted the Rockwell Medical Technologies, Inc. 1997 Stock Option Plan (the "Stock Option Plan"). The Stock Option Plan permits the Board of Directors, among other things, to grant options to purchase Common Shares to Directors of the Company, including Outside Directors. In July 1997, the Board of Directors granted to each of the three existing Outside Directors options to purchase 20,000 Common Shares at a per share exercise price of \$3.00. Upon the election of any new member to the Board of Directors who is an Outside Director, the Board of Directors intends to grant to such member an option to purchase 20,000 Common Shares at a per share exercise price equal to the fair market value of a Common Share at the date of grant. Beginning with the first annual meeting of the shareholders of the Company after July 1997, provided that a sufficient number of Common Shares remain available under the Stock Option Plan, on each date on which an annual meeting of the shareholders of the Company is held, the Board of Directors intends to grant to each Outside Director who is then serving on the Board of Directors, an option to purchase 5,000 Common Shares. The exercise price of the options will be the fair market value of the Common Shares on the date of grant. The options granted to Outside Directors under the Stock Option Plan will become fully exercisable on the first anniversary of the date of grant. Such options will expire ten years after the date of grant. If an Outside Director becomes an officer or employee of the Company and continues to serve as a member of the Board of Directors, options granted under the Stock Option Plan will remain exercisable in full.

For a description of the Company's consulting agreement with Wall Street, a consulting company owned by Mr. Lewis and Mr. Xirinachs, each of whom is a Director of the Company, see "Transactions with Management -- Consulting Agreement."

EMPLOYMENT AGREEMENT

The Company entered into an employment agreement with Robert L. Chioini in February 1997, pursuant to which Mr. Chioini is employed as the President and Chief Executive Officer of the Company for a period ending February 19, 2000. Mr. Chioini's base salary is \$115,000, which may be increased by the Board of Directors. At the closing of the Company's initial public offering, the Board increased Mr. Chioini's base salary to \$150,000. Mr. Chioini's employment agreement contains a three year non-compete provision and provides for him to devote his full-time and attention to the Company's business.

COMPLIANCE WITH SECTION 16(A) OF THE SECURITIES EXCHANGE ACT OF 1934

Section 16(a) of the Securities Exchange Act of 1934, as amended ("Exchange Act"), requires the Company's officers and Directors and persons who own more than ten percent of a registered class of the Company's equity securities to file reports of ownership and changes in ownership with the Securities and Exchange Commission (the "Commission") and the Nasdaq Stock Market. Officers, Directors and greater than ten percent Shareholders are required by regulation of the Commission to furnish the Company with copies of all Section 16(a) forms they file.

Because the Company did not have a class of equity securities registered pursuant to Section 12 of the Exchange Act, the Company's officers, Directors and greater than ten percent Shareholders were not required to file reports of ownership and changes in ownership with the Commission during the fiscal year ended December 31, 1997. However, based solely on its review of the copies of such forms received by it, or written representation from certain reporting persons that no Forms 5 were required for those persons, the Company believes that, during the Company's current fiscal year ended December 31, 1998, the Company's four Directors and James J. Connor, the Company's Chief Financial Officer, filed their respective Form 3's late.

TRANSACTIONS WITH MANAGEMENT

Formation of the Company

In October 1996, Messrs. Chioini, Lewis and Xirinachs founded the Company.

In connection with the formation of the Company, Messrs. Chioini, Lewis and Xirinachs received 500,000, 750,000 and 750,0000 shares, respectively, of the Company's Common Shares for an aggregate purchase price of \$1,000.

Acquisition of Business of Predecessor Company

On February 19, 1997, the Company acquired the business of Rockwell Medical Supplies, L.L.C. (the "Supply Company") and Rockwell Transportation, L.L.C. (the "Transportation Company" and together with the Supply Company, the "Predecessor Company") for total consideration of \$2,441,664.47 pursuant to an Asset Purchase Agreement dated as of November 1, 1996, as amended (the "Asset Purchase Agreement"). Mr. Robert L. Chioini, the President, Chief Executive Officer and a Director of the Company, owns a 20% equity interest in the Supply Company. The purchase price consisted of (i) \$150,00 paid to the Sellers in cash; (ii) a cash payment to NBD Bank of approximately \$375,000 to retire an outstanding debt owed by the Predecessor Company to NBD Bank; and (iii) an 8.5% promissory note in the principal amount of \$1,916,664.47 made by the Company in favor of the Supply Company (the "Note"). In addition, in connection with the purchase of the business from the Predecessor Company, the Company paid \$178,000 to the landlord under lease pursuant to which the Company leases its manufacturing facility as a prepayment of future rents and as an additional security deposit in order to induce such landlord to consent to the assignment of the lease and to release the Predecessor Company and its shareholders, including Mr. Chioini, from their obligations under such lease.

Under the terms of the Note and the Asset Purchase Agreement, a prepayment of \$500,000 on the Note was due on May 19, 1997, which date was extended by the Supply Company to May 31, 1997 Pursuant to a letter agreement dated April 4, 1997, the Supply Company agreed that, upon receipt of the \$500,000 prepayment on the Note, the remaining principal balance under the Note would be converted into shares of Series A Preferred Stock at a conversion ratio of one share of Series A Preferred Stock for each \$1.00 of outstanding principal due under the Note. The Company made the required \$500,000 prepayment under the Note and the Note was converted into 1,416,664 shares of Series A Preferred Stock.

In accordance with the terms of the Asset Purchase Agreement, the purchase price paid by the Company for the Predecessor Company's business was reduced by \$320,749 based on a provision in the Asset Purchase Agreement which provides that the purchase price would be reduced on a dollar for dollar basis to the extent that the net worth of the Predecessor Company at the closing of the acquisition was below a target amount set forth in the Asset Purchase Agreement. 320,749 shares of Series A Preferred Stock were surrendered by the Supply Company to the Company for cancellation in payment of such purchase price adjustment. In

8

11

accordance with the terms of the Series A Preferred Stock, the Company redeemed the remaining 1,095,915 shares of Series A Preferred Stock on January 30, 1998 for an aggregate redemption price of \$1,158,187.

Consulting Agreement

The Company is party to a consulting agreement with Wall Street dated as of February 19, 1997 pursuant to which Wall Street provides management and financial consulting services to the Company. The Company has agreed to pay Wall Street a consulting fee of \$25,000 per month from the date of the agreement through June 30, 1998, subject to renewal upon the mutual agreement of the Company and Wall Street. Prior to February 19, 1997, Wall Street rendered consulting services to the Company beginning in November 1996 for a consulting fee of \$25,000 per month. Wall Street is owned by Gary D. Lewis and by Michael J. Xirinachs, each of whom is a founder of the Company and serves as a Director of the Company. The Company has paid or accrued an aggregate of \$350,000 in consulting fees to Wall Street under these arrangements during the Company's fiscal year ended December 31, 1997.

Shareholder Loans

On April 29, 1997, Messrs. Chioini, Lewis and Xirinachs loaned \$50,000, \$25,000 and \$50,000, respectively, to the Company. The loans were evidenced by 8.5% promissory notes in the amounts of \$50,000, \$25,000 and \$50,000, respectively. The Company repaid such loans, including accrued interest, in June, 1997. Each of Messrs. Lewis, Xirinachs and Chioini serves as a Director of

the Company and Mr. Chioini also serves as the Company's President and Chief Executive Officer.

In November 1997, the Company obtained a \$100,000 loan from Mr. Xirinachs. The loan bore interest at the rate of 24% per annum. The Company repaid such loan, including accrued interest in February 1998. Mr. Xirinachs is a founder of the Company and serves as a Director of the Company.

Related-Party Loan

In July, 1997, the Company obtained a loan from Karen Bagley in the principal amount of \$100,000 to pay employee salaries and other accrued expenses. The loan bore interest at an annual rate of 24% per annum and was payable in full, including accrued interest, on a demand basis.
